### PROFILE

I am a recent graduate of Architecture based in Sydney, NSW. I'm currently employed at Hatch Robertsday as an urban designer and will be available to commence a position in London, UK after the 9th, June 2023.

### EXPERIENCE

#### URBAN DESIGNER

Hatch Robertsday | Dec 2022 +

As a graduate urban designer, I was exposed to a diverse range of complex urban projects scattered all over Sydney and the processes undertaken to take the design from concept development stages to approval. I produced a collection of graphics for the project reports to be delivered to council and clients.

#### ARCHITECTURAL INTERN

Boss Design Architecture | Dec 19 - Jan 21

Between my Bachelors and Masters degree I spent over a year working with Boss Design. I was able to expand my skills across a range of residential, interior and hospitality projects in areas such as architectural design, concept development, interior design, fit-out detailing and 3D/ physical modelling.
